

Joint meeting of the ISDIS / ICG / IDS

Time – March 22nd, 2014, 17:30-22:00

Location – Governor Square 14, Sheraton Denver Downtown

Denver, CO, USA

Please join us for the joint meeting of the **International Society for Digital Imaging of the Skin (ISDIS)**, the **International Confocal Group (ICG)**, and the **International Dermoscopy Society (IDS)** which is held in conjunction with the 2014 American Academy of Dermatology meeting in Denver, CO.

The meeting is a unique opportunity to interact with other clinicians and researchers who are leaders in the field of skin imaging and enthusiastic about clinical implementation of non-invasive imaging.

Organizing committee: Alon Scope, Allan Halpern, Salvador Gonzalez, Giovanni Pellacani, Josep Malvehy, Giuseppe Argenziano, Iris Zalaudek, Peter Soyer and Harold Rabinovitz
